FOUNDATION

You are invited to attend our monthly
River Legacy Speaker Series.

Please join us for this interactive discussion at
River Legacy Living Science Center,
703 NW Green Oaks Blvd., Arlington

Tuesday March 19th at 7:00pm

RBJ Agency presents

Ruth Jackson, E.A.

“Tax Cut & Jobs Act (TCJA) of 2018 Changes”

Ruth will discuss the recent changes to the tax code. The TCJA is a pro-growth tax law that has created the most sweeping changes to our tax code since the Tax Reform Act of 1986. She will further explain the opportunities that have been created for business owners, the changes to personal exemptions, the standard deduction and much more.

Please come and join us for this interactive discussion.

This is a fundraiser for River Legacy Foundation.

Suggested donation \$20.00.

Your donation benefits River Legacy Foundation, named Arlington's Non-Profit of the Year. River Legacy is the largest provider of environmental education in North Texas. More than 14,000 school-aged children explore nature at River Legacy each year during hands-on field trips. These field investigations are a "first walk in the woods" for many children. Come visit our NEW Discovery Room to learn what we are all about.
