

RIVER LEGACY FOUNDATION

2019 Volunteer Opportunities Environmental Education, Conservation and Recreation

Great Backyard Bird Count

Saturday • February 16, 2019 • River Legacy Living Science Center

Join the Audubon Society, Cornell Lab of Ornithology and River Legacy Living Science Center in counting birds at River Legacy and facilitating fun activities for kids. Scientists use the counts to figure out trends, formulate forecasts and to investigate far-reaching questions.

Tents and Tales

Friday • March 29, 2019 • River Legacy Parks Legacy Pavilion

Join Arlington Parks Department and River Legacy in promoting the enjoyment of the outdoors by volunteering at this campout event. Volunteers are needed for setup, breakdown, and nature-themed crafts.

Spring Scout Badge Day

Saturday • March 2, 2019 • River Legacy Living Science Center

River Legacy is hosting a new Badge Day program to help Scouts earn some of their badges! Volunteers are needed to help facilitate activity stations with topics such as bugs, animal habitats, fur, feathers and ferns and more!

Earth Day Celebration

Saturday • April 6, 2019 • River Legacy Living Science Center

Family festival to spread awareness and appreciation for the natural world in order to encourage action for a healthy environment. Volunteers are needed to facilitate activities, setup and breakdown.

Cardboard Boat Regatta

Saturday • April 13, 2019 • Six Flags Hurricane Harbor

Amateur boat builders put their skills to the test as they try to navigate their cardboard creations in the Wave Pool. Volunteers are needed for setup, breakdown, concessions, and event-day activities.

River Legacy Sporting Clay Shoot

Friday • May 10, 2019 • Defender Outdoors Clay Shoot Ranch

Join the camaraderie and competition of River Legacy's fund-raising clay shoot as a volunteer. Volunteers are needed for registration, setup and breakdown, and as shooting station attendants.

Summer Class Assistants

Weekly • June 10-28 & July 8-26 2019 • Living Science Center

Assist teachers in nurturing awareness and appreciation of nature in children. Volunteers are needed for classroom setup and breakdown; material preparation; and to assist teachers in facilitating activities.

W.A.T.E.R. Festival (Water Awareness Through Education & Recreation)

Saturday • September 14, 2019 • River Legacy Living Science Center

Educational festival that encourages water conservation by offering families the opportunity to explore a diversity of water-related topics in a fun way. Volunteers are needed to facilitate activities, setup and breakdown.

Winter Scout Badge Day

Saturday • December TBA 2019 • River Legacy Living Science Center

River Legacy is hosting a new Badge Day program to help Scouts earn some of their badges! Volunteers are needed to help facilitate activity stations with topics such as bugs, animal habitats, fur, feathers and ferns and more!

Gift Wrap Extravaganza

December 2019 • Barnes & Noble

Put your wrapping talents to work as you gift wrap for contributions to River Legacy Foundation and its environmental education programs.

Ongoing Opportunities

- **Animal Care** – Training provided to serve weekly to feed and care for the more than 50 educational animals at the Center. Requires at least a 6-month commitment.
- **Privet Patrol** – Join this newly formed group to assist monthly with removing invasive plant species from River Legacy Parks.
